EVENT DAY INFORMATION FOR RUNYON 5K PARTICIPANTS – SUNDAY, APRIL 15, 2018

APPROPRIATE ATTIRE: Yankee Stadium is an open-air stadium – please plan to wear outdoor running gear. Check the forecast and dress accordingly!

ARRIVAL TIME: Please plan to arrive at the Stadium 30 minutes prior to your assigned start time.

PUBLIC TRANSPORTATION: Yankee Stadium is located at East 161st Street and River Avenue in the Bronx and is easily accessible by subway and Metro-North trains. The 4 train (East Side) and the D train (West Side) make stops at 161st Street/Yankee Stadium. Metro-North Railroad's Yankees–E. 153rd Street Station is located on the Hudson Line. **For point-to-point directions and updated service advisories, please visit <http://www.mta.info/> and check train schedules. Please allow additional travel time, as trains may run less frequently due to weekend schedules, construction and unexpected delays.**

PARKING: Parking will be available at the 164th Street Garage located at 951 River Avenue (at East 164th Street) at a rate of \$20. For more information, call 1.877.727.5464 or visit www.iconparkingsystems.com.

BAG CHECK: Due to heightened security concerns, bag check is not permitted inside the Stadium. Bag Check will be **available for limited items in a U-Haul box truck parked by Heritage Field on East 161st Street across from the Stadium. PARTICIPANTS MUST DROP THEIR BAG OFF AT THE TRUCK PRIOR TO ENTERING THE GREAT HALL OR THE HEAT LINE-UP. Bag Check will open at 8:30 am.**

Bags will be permitted in the Spectator Area inside the Delta SKY360° Suite. Each person is permitted to bring into Yankee Stadium only one MLB-compliant bag – presently defined by Major League Baseball as soft-sided and no larger than 16 inches by 16 inches by 8 inches – and only one smaller-sized soft-sided personal item (e.g., a handbag, clutch, tote or plastic grocery bag). All bags will be thoroughly inspected before they are permitted into the Stadium.

Clear factory-sealed **plastic** water bottles 1 liter in size or smaller, and **empty plastic** sports bottles are permitted.

ENTRANCE: All participants are required to be screened via metal detectors before entering Yankee Stadium. Please enter the Great Hall through designated doors near Gate 4 to pick up your bib (if you did not pick up in advance), use the restroom, drop off donations, etc. You will then exit the Great Hall, turn right and head to Gate 4, where you will enter the line for your assigned heat. From there, you will proceed to the start line on the 100 level concourse.

RESTROOMS: Restrooms will be accessible on the 100 level concourse via the Great Hall and along the route. Restrooms are also located in the Delta SKY360° Suite.

PLEDGE DROP-OFF: You may bring offline donations with you to the pledge drop-off location inside the Great Hall. Be sure to indicate that the donations are in support of your run/walk.

START TIMES AND HEATS: Participants will be launched in heats of 200 people every 10 minutes beginning at 9:30 am. **HEAT 1 IS FOR COMPETITIVE RUNNERS ONLY.** Heats of runners and walkers will follow. **To ensure everyone's safety, participants who are walking should position themselves in the back when entering their heat line, while runners should head to the front. Walkers should stay to the right, allowing runners to pass on the left.** The last heat will launch at 11:30 am. Please note that Gate 4 will close promptly at 12 noon.

The entire Runyon 5K route is *inside* Yankee Stadium, and includes concourses, ramps, stairs, and the warning track! Each heat of participants will enter a queue on Babe Ruth Plaza near Gate 4 as their start time approaches. Please listen for announcements from the race management team so you know when to proceed to the start line and how to navigate the route.
